DETAILED ACTION

Allowable Subject Matter

Claims 1-27 are allowed.

The following is an examiner's statement of reasons for allowance:

Instant independent claims 1, 7 and 14 are rewordings of corresponding independent claims 1, 7 and 14 of parent patent US 6,662,495; instant independent claim-21 recites the allowable structure common to the instant independent claims 1, 7 and 14, and adds a detachable upper portion.

In consideration of the Terminal disclaimer filed 8/19/04 and a recent search of the prior art, claims 1-27 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Terminal Disclaimer

The terminal disclaimer filed on 8/19/04 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of US Patent No. 6,662,495 has been reviewed and is accepted.

The terminal disclaimer has been recorded.
